

Onella Series LED Bulbs

BLB-141-x

Overview

Over time, light bulbs have proven to be a costly endeavour with high heating temperatures, extremely short lifespans and massive energy consumption. With Bonjour Odyssey's Onella Series, such shortcomings are a thing of the past. Elegant yet efficient, the Onella Series is ideal for general business and decorative lighting purpose, such as shop lighting, hotel lighting and commercial applications.

Key Features

- 5W LED bulb made of aluminium alloy die-casting for robust usage
- Integrated heat sink ensures maximum heat dissipation
- Ideal replacement for incandescent bulb fittings - E27 Base
