## BTL-127-x

# Tallys Series

### LED POWER

### Overview

As with all conventional lighting, one of the biggest drawbacks stem from the high levels of heat generated, especially when it comes to track lighting. Fortunately, with our Tallys Series track lights and the unique cold light source properties of LED lighting, customers can now have a better - and cooler - choice when it comes to track lighting.

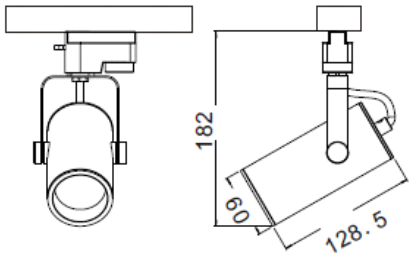

### Key Features

- Adjustable track mounted LED spot-light made with an aluminium body for robust usage
- Heat sink design incorporated into light housing for maximum heat discharge effectiveness
- Long lifespan of up to 50,000 hours
