Triac Dimmable

### Overview

The Celestyn Series features a wide array of ceiling lights that enhance greatly the visibility and ambience of its surroundings. The Celestyn Series is an ideal replacement for traditional compact fluorescent lighting (aka PLC lighting) or traditional halogen lamps as they are considerably more energy-efficient as well as producing virtually no heat.

### Key Features

- Ceiling recessed LED downlight made with an aluminium body for robust usage
- Heat sink design incorporated into light housing for maximum heat discharge effectiveness
- Long lifespan of up to 50,000 hours
